#### Notes

The above data pertains to issuers who had CRISIL ratings outstanding in the period January 2016 to December 2016. While compiling the above data, issuers who had ratings withdrawn during the period January to December 2016 have also been taken into consideration. While compiling the above data, in addition to credit ratings for instruments like bonds, fixed deposits, commercial paper, certificate of deposits, pass through certificates, etc. other ratings like bank loan ratings, mutual fund ratings, etc have also been considered. Rating fee received from issuers whose rating may not have been outstanding for the entire year has also been considered for the purpose of this compilation. "Contribution of Non Rating Income" is computed as the non rating income from an issuer to total income. "Proportion of Non Rating Income" is computed as the non- rating income to the total income from an issuer. The "Proportion of Non Rating Income" as defined above is available at the following URL - <http://www.crisil.com/ratings/annexure-B.html>
